Dear Ms. Dortch,

I am writing to respectfully request the FCC to grant a waiver of the Funding Year 2016 Form 471 deadline so that New Hope Christian School's Form 471 E-Rate application will be considered as having been filed within the filing window.

The Form 471 was certified on May 31, 2016.

The Form 471 is for Category 2 services. At the time of the deadline, I did not know that the IT Director has signed two new agreement with CDW-G for 24 port switches and for 48 port switches. I certified the 471 for the 24 port switches on May 26, 2016. The agreement was bid properly and signed according to E-Rate rules. The only failure was my not including the 48 port switches in the 471 that I filed prior to the deadline.

Not receiving the E-Rate funding will substantially impact the operation budget of New Hope Christian School.

I request that the 471, submitted after the 471 window closed, be considered as having been filed within the window.

Thank you for your consideration of our request.

Respectfully submitted,

Stan Wykosky
E-Rate Manager
New Hope Christian School
